## RENTALS

### STAGE GUIDE

We can rent a stage as small as 4 x 4 (e.g., go-go dancer platform), to as large as necessary! Each deck requires only 4 legs, and can 12", 18" or 24" high.

Our stage has a black non-slip polyvinyl surface. All stages are available with steps and skirting.

Pricing INCLUDES setup and takedown services. So for example, a 12 x 16 x 2 (L x W x H) rental stage (6-pieces), is suitable for 3 to 6 performers.
